FIRE DETECTION & ALARM SYSTEMS
MODIFICATION CERTIFICATE

Customer Name:

Site Address:

Date:

Job No:

Installer(s):

System Category:

Extent of Installation work covered by this certificate:

Variations from the recommendations of clause 46.4 of BS 5839-1:2025:

☐ Following the modifications, the system has been tested in accordance with recommendations of 46.4.2 of BS 5839-1:2025..

☐ Following the modifications "as fitted" drawings and other system records have been updated as appropriate.

☐ Taking into account guidance from Section 3 of BS 5839-1:2025, I have not identified any obvious potential for an unacceptable rate of false alarms.

☐ In accordance with BS 5839-1:2025 Clause 26 part 1&2, the installation work was carried out by: and it is their responsibility to provide the relevant installation certification.

☐ A subsequent visit is required to complete the following work:

I, being the competent person responsible (as indicated by my signature below), for the modification of the fire direction and alarm system, as identified above, CERTIFY that the said modification work for which I have been responsible complies to the best of my knowledge and belief with the specification & recommendations of **clause 46.4** (recommendations for System Modifications) of BS 5839-1:2025 ***except for the variations, as listed in the design specification and/or the attached schedule.** (Delete if not applicable).
